

## RTT Corporate Sponsors “Do Well by Doing Good!”

Businesses that support Riding To The Top Therapeutic Riding Center demonstrate their commitment to the quality of life in Maine and our local communities.

RTT is Maine’s only nonprofit, year round center solely dedicated to therapeutic riding. We rely on individual and corporate support to cover program expenses. RTT receives no federal, state or municipal funds and over 60% of all participants receive some level of financial assistance. All of your support is used to assist local residents.
