## RIDING TO THE TOP FINANCIAL AID POLICIES

- It is the policy of the Board of Directors of Riding To The Top that all participants accepted into the program, regardless of ability to pay, have access to our services.
- The Board of Directors of Riding To The Top has an obligation to our donors to ensure financial aid monies are well managed and appropriately spent. Thus, it is the policy of RTT's Board of Directors that all requests for financial aid are reviewed via the Financial Aid Application.
- All applicants must complete **the entire application** to be considered for assistance.
- **New Requests:** Initial application may be submitted at any time. Please allow 30 days for review of application.
- **Renewal Requests:** Applications are required to be filed annually for each calendar year.
- Riding To The Top determines financial eligibility using the U.S. government's "Child Nutrition Programs: Income Eligibility Guidelines" (<https://www.fns.usda.gov/cn/income-eligibility-guidelines>). We award financial aid to individuals who have income up to 200% of the Reduced Lunch Rate. (Please see table below).
- We cannot award financial aid without receiving acceptable copies of proof of financial income. Examples of reasonable proof would include a copy of page 1 and 2 of your most recent state or federal tax return or a recent Social Security Statement if you do not file taxes.
- RTT charges tuition by the term. Financial aid is applied against the tuition as a percentage discount.
- Financial aid awards are allocated throughout the year based on available funding and are awarded for up to 14 weeks of services.
- RTT does not provide full (100%) financial aid for tuition. Every client must pay at least a minimal amount towards their lessons. All balances must be paid in full at the end of each term.
- Riding To The Top reserves the right to rescind financial aid awards as it sees fit or waive specific requirements on a case by case basis.
