Join us for a unique summertime experience! Enjoy a group ride on some of southern Maine's most beautiful wooded trails and private beaches, followed by a delicious lunch - all while helping raise awareness and funds for Riding To The Top's programs.

The Barn to Beach Ride-A-Thon is an important fundraiser for RTT. We hope you will help make the 2023 ride a successful event for our riders, horses and programs! Our goal is to raise \$25,000 to help change lives through the healing power of horses.

Each rider commits to raising a minimum of \$500. The number of participants for this ride is limited so secure your spot now by filling out the form below and returning it to RTT.

Prizes for the top fundraiser and top friend-raiser!

Riders must be comfortable riding different terrains at walk, trot and canter and are responsible for trucking their own horse(s) to the ride. Riders will be sent a packet with Liability Releases and must provide proof of current vaccines and negative Coggins for their horse(s).

Contact your friends, family and colleagues and ask them to sponsor your ride. To help with your fundraising, you can set up your own easy to use online fundraising page by visiting <https://bit.ly/3Zun64w> or scanning the QR code below. It allows you to personalize your message and makes fundraising easy. Sponsors can donate to your ride online or can send a check to RTT; 14 Lilac Drive; Windham, ME 04062.
