**RIDING TO THE TOP
PARTICIPATION WAIVER AND RELEASE
AGREEMENT**

Name: _____

This Participation Waiver and Release Agreement is made by and between the undersigned client, volunteer or participant in an equine activity or equine event (the "Participant"), the Participant's parents, guardians, or conservators if the Participant is a minor or ward ("Participant's Parents or Guardians"), and Riding To The Top Therapeutic Riding Center, (the "Equine Activity Sponsor" and/or "Equine Professional"). This Agreement is a requirement and condition of participation in any equine activity or equine event conducted, provided, operated, organized or sponsored by the Equine Activity Sponsor or Equine Professional on whose property, facilities, animals, equipment or personnel are used in such connection.

In consideration of the opportunity to participate in equine activities or equine events, the Participant and, if a minor or ward, Participant's Parents or Guardians agree as follows.

1. Inherent Risks. The Participant and Participant's Parents or Guardians acknowledge and understand that horses and activities related to horses are inherently dangerous and that those dangers and conditions integral to equine activities or equine events include, but are not limited to, the propensity of horses to behave in ways that may result in damage to property or injury, harm, or death to persons on or around them (including behaviors such as bucking, biting, rearing, stepping on, falling, stumbling and shying); the unpredictability of a horse's reaction to sounds, movements, unfamiliar objects, persons, or other animals; certain hazards such as surface and subsurface conditions; collisions with other horses, Clients, or objects; the potential for the Participant to act in a negligent manner or otherwise fail to maintain control over the animal; and unpredictable or erratic actions by others on or near animals. Despite these inherent risks, the Participant has chosen, and Participant's Parents or Guardians have chosen to permit the Participant to work with and around horses and participate in equine activities and equine events. The Participant and Participant's Parents or Guardians have considered the Participant's particular physical, mental, and emotional condition or challenges in making this participation decision.

2. Duties and Obligations; Statutory Assumption of Risk and Limitation of Liability. The Participant and Participant's Parents or Guardians are advised that under Maine law, with certain limited exceptions, an equine activity sponsor, equine professional or any other person engaged in an equine activity is not liable for any property damage or damages arising from the personal injury or death of a participant or spectator resulting from the inherent risks of equine activities. The Participant and Participant's Parents or Guardians are further advised that Maine law provides that each participant and spectator in an equine activity expressly

assumes the risks and legal responsibility for any property damage or damages arising from personal injury or death that results from the inherent risks of equine activities. Each Participant has the sole responsibility for knowing the range of that person's ability to manage, care for and control a particular horse or perform a particular equine activity. It is the duty of each Participant to act within the limits of the Participant's own ability, to maintain reasonable control of the horse at all times while participating in any equine activity or event, to heed all warnings and instructions, and to refrain from acting in a manner that may cause or contribute to the injury of any person or damage to property. The Participant and Participant's Parents or Guardians understand these duties and obligations and have considered the Participant's particular physical, mental, and emotional condition or challenges in undertaking this express assumption of risk.

3. Release and Waiver. The Participant and Participant's Parents or Guardians understand the risks and dangers inherent in equine activities and do hereby waive and agree not to make any claim or seek any recovery from the Equine Activity Sponsor and Equine Professional and their respective directors, officers, trustees, shareholders, employees, contractors, agents, and assigns for any property damage or damages for personal injury or death resulting from the inherent risks of equine activities. The Participant and Participant's Parents or Guardians hereby further release and discharge the Equine Activity Sponsor and Equine Professional and their respective directors, officers, trustees, shareholders, employees, contractors, agents, and assigns from any and all actions, causes of actions, liabilities, claims, demands, damages, costs and expenses of any kind including, but not limited to, any claim of damages for bodily injury, illness, disease, death or loss of personal property now existing or which may in the future occur or result, directly or indirectly, from participation or involvement in any equine activity, program, or event. The Participant and Participant's Parents or Guardians understand and agree that this Release and Waiver is intended to be as broad as the law allows and specifically covers all claims or demands that may be based in whole or in part on the fault or negligence of the Equine Activity Sponsor and Equine Professional and their respective directors, officers, trustees, shareholders, employees, contractors, agents, and assigns.

**WARNING
UNDER MAINE LAW, AN EQUINE ACTIVITY
SPONSOR, EQUINE PROFESSIONAL, OR
OTHER PERSON ENGAGED IN EQUINE
ACTIVITIES HAS LIMITED LIABILITY FOR
INJURY OR DEATH RESULTING FROM THE
INHERENT RISKS OF EQUINE ACTIVITIES
(7 M.R.S.A. §§ 4101; 4103-A).**

~ Scheduling~

Please indicate below the days/times that are most convenient for you/your child and any days/times that do not work for you (e.g. therapy days, regular appointments, etc.). There are many factors involved in scheduling and we do our best to consider your preferred times when scheduling lessons.

~ Cancellation Policy ~

Riding To The Top charges tuition for each term/semester. If less than halfway through a term/semester a participant is no longer able to attend for a valid medical reason or family emergency, please contact the RTT Office Manager or Executive Director. We will discuss options for a credit towards a future session or, if another participant can be found to fill your lesson time slot, a partial refund of your tuition payment. Client cancellations are not refundable and due to scheduling constraints are not able to be made up. For cancellations that are due to weather or initiated by RTT, credits will be issued. If a client is not continuing past the end of the term/semester, a refund may be requested.

~ Payment Policy ~

Riding To The Top requests tuition payment in full in advance for any term/semester. In select cases where payment in full is a financial hardship, a payment plan may be arranged, but a deposit is required prior to the start of a term/semester and payments must be kept current.

Scholarship recipients are responsible for paying their portion of the tuition bill in advance of the session or through an agreed upon payment plan. *All* clients must have their account paid in full from the previous term/semester before continuing into another term/semester. We accept cash, checks and all major credit cards.

Riding To The Top *does not* bill any insurance companies (e.g. Katie Beckett, Maine Care, etc.). However, RTT has a generous Financial Aid program and various agencies and foundations do provide funding for Equine Assisted Activities and Therapies. If you have received such an award, please fill out the information below.

I /we have enclosed the necessary award letter and contact information for billing an agency
